### **EXHIBITION: TASHKEEL PRESENTS 'BEYOND THE FENCE' BY JALAL BIN THANEYA, FROM MAY 1ST TO JUNE 11TH**

Industrial fine art photographer, Jalal Bin Thaneya makes his debut at Tashkeel with a solo exhibition entitled *Beyond the Fence*. The show centers around the theme of the exploration of "the unavoidable byproduct of modernity... [bringing] to the forefront of our gaze the end-of-lifecycle monolithic scrapyards, industrial refineries and metal works typically hidden from public view". The Emirati artist did his research, gaining access and developing the trust with professionals in the industry to inform his exhibit.

Notably, the exhibition marks the first production by a participant of the Critical Practice Programme, a professional development programme for UAE arts practitioners organized by Tashkeel.

**When:** May 1st to June 11th
